For each month that you qualify: SII will issue a check to your practice or your Reward Recipient(s) listed below (maximum three checks per practice), and enter you in the quarterly prize drawing. Where more than one recipient is designated below, funds will be evenly distributed among the recipients unless specified differently in the space allotted. If your laboratory does not submit monthly usage reports to SII, you can still qualify by submitting this enrollment form once and submitting a completed Manual Claim form, available at www.shamirlens.com, with invoice copies on a monthly basis.
